To Our U3A Members and Tutors,

You are all aware of COVID-19, and the effect it is having on our community. All advice being given by health experts suggest limiting non-essential social contact. Therefore, as your committee, we have decided in the interests of all our members and tutors, to suspend all classes for the foreseeable future, and to also cancel our upcoming Annual General Meeting. The office will also be closed and the "Moon Dance" planned for next month will not go ahead at this stage.

Copies of the President's and Treasurer's report which would have been presented at the AGM will be available on our website.

None of us know what is ahead, but we are confident we will be able to get things up and running as soon as the crisis has passed.

We will be happy to answer any questions submitted to us via email.

We hope that all our members and tutors will remain safe and well.

Your Committee
